

WHO WE ARE

RISEQUNITY, Inc. is built upon expertise and a passion for doing the right thing to help companies and people grow. We help companies advance their culture, furthering economic growth and innovation. Our recognized industry experts partner with your company to analyze quantitative and qualitative data, delivering insights and solutions to advance culture and performance through diversity, equity, inclusion and belonging (DEI&B) for all. RISEQUNITY clients are guided through each phase of their transformational journey, integrating DEI&B into their business processes and creating sustainable growth and differentiation.

WHAT WE DO

RISEQUNITY'S *Maturity Model Assessment* is based on the elements of inclusion, diversity, equity and accountability. The model consists of three phases:

To ensure sustainability, DEI&B strategy is aligned with company's mission and business goals in these four areas:
